Together We Give

In this time of uncertainty, there's a fundamental truth that gives us hope – that together we can do extraordinary things. Over the past few months, the entire world has been coming together to stand up, help out, give back, and heal. Whether that's through donations to community organizations, celebrating doctors and nurses at shift changes, or reaching out to a neighbor to help with groceries, generosity has been helping the entire world get through this global pandemic. Together.

2020 affected small businesses in more ways we could ever imagine. For JBF, that meant we couldn't meet the needs of thousands of growing families. I am sure that meant the same for you, your clients and even your employees. As we start to rebuild with pivoted business models, smaller budgets and newly developed ways of spreading the word, one thing we learned this year is that small business owners are nothing if not resilient.

JBF would like to help companies, like yours - fellow community supporters, with an opportunity to showcase your products or services. Our sales are visited by hundreds of local families. Please accept this invitation to learn more about becoming a sponsor this season!

As you read through our sponsor partner kit, you will find pricing and contact information. Please feel free to contact me with any questions. I looking forwarding in supporting the community - together.

What participants say:

We LOVE the feedback we get about our sales as that helps us make them even better!

Check out what some recent participants had to say:

"It's recycling at it's best! Clothes, toys, etc. that have a lot of life left in them can be bought a fraction of their price. JBF insures that the quality is good and the variety is huge. It's run smoothly and efficiently by really nice people!" ~Mandy Freeman, Consignor

"Very well organized. Everything displayed nicely, labeled well, with plenty of space to move around in to shop. Staff is very friendly and answers any questions you have about location of items in store or any other questions you might have. A very nice shopping experience."

~ Kathy Metchtel, Shopper + Consignor

One More Thought:

We are about creating relationships—relationships where families help families, communities come together to support each other, and more good is done in today's world. We are about creating "win/win/win" outcomes for all those with whom we work. While we know that making money is important, it's not the only thing that matters. Our goal is to partner with sponsors who feel the same way. Let's work together to do more good and to do it well.

We look forward to creating a relationship that helps grow your business!

Thank you for thinking about doing business with us!

ABOUT OUR COMPANY

Co-Founder and CEO Shannon Wilburn along with items from a JBF sale:
"If you had asked me how big this business could get over 20 years ago, my wildest dreams would not have been this!"

There are 158 Franchisees who operate sales in 32 states across the country. Each sale is owned and operated by someone who lives in that community. That's one of the reasons we care so deeply about helping our neighbors.

From a \$2,000 living room sale to a \$34.5 Million Nationwide Franchise System

- Just Between Friends (JBF) is a franchise system of pop-up consignment sales that started as a living-room sale in 1997 in Tulsa, Oklahoma that grossed \$2,000.

- In 2019 more than 300+ sales have grossed \$34.5 million in system-wide sales

- Today there are more than 160 sales in 32 U.S. states

- Each sale is typically open 3 to 5 days two times a year—we are event-based

- Those sales serve more than a million families who save big money (50-90%) on items they need while countless others earn cash by selling their items

- Each sale also supports at least one local charity with in-kind donations and, in many cases, cash. Since beginning, Just Between Friends sales have donated more than \$28 million in in-kind and cash donations to hundreds of charities across the country.
